Accreditation

The Centre is an active supporter of the accreditation system and has always received the highest level of accreditation by the National Childcare Accreditation Council.

Program

Each room has a developmentally appropriate program, informed by the EYLF and VYLDF, designed for the individual needs of the children. This being the case, the program changes with the children and is as individual as they are. A regular program of workshops and visitors to the Centre broadens

children's experience and enriches the program.

Some of our regular experiences are visiting musicians, actors, puppet shows, story tellers, the Melbourne Museum and animals as well as visits to the glorious Fawkner Park, the Melbourne Symphony Orchestra, Botanical gardens and Prahran Market.

Meals

The centre has achieved accredited status with the Start Right Eat Right program at the inception of it and continues building on healthy meals approach taking current nutritional guidelines into account. An experienced chef prepares morning tea, lunch and afternoon tea on the premises every day. The Menu is based on the Victorian dietary recommendations for children and fresh seasonal ingredients are used where possible. The children are regularly involved in food preparation and cooking experiences to increase their awareness of food and nutrition. We are also able to cater for special diets and allergies.

Fees

The fees are \$677 per week or \$140 per day. Families are able to get assessed for their eligibility for government Child Care Subsidy. More information is available from the Family Assistance Office.

A bond is payable prior to commencement, this will only be refunded upon settlement of the final account when the child leaves. All bonds are otherwise non refundable.

It is advisable to enrol on the waiting list well before care is required, especially for care in the Blue and Green rooms. The waiting list gives first priority to families who live and work in the City of Melbourne, South Yarra precinct (West of Punt Road), St Kilda Road (Commercial Road to the City), Southbank or the Melbourne CBD.
